

Help Kosovo – Strategic Impact Plan 2025–2027

Help Kosovo's 2025–2027 strategy focuses on empowerment, sustainability, organizational strength, and visibility delivering measurable results for communities while aligning with Kosovo's EU integration and climate goals.

Strategic Goals & Key Activities

Strengthen Local NGOs

- Assess 10 NGOs, build 3 partnerships, support 2 to secure donor funding.

Consortium Leadership

- Join 3+ consortia; maintain partner satisfaction and proposal success.

Digital Economy Growth

- Train 2,000 people in digital/BPO skills; support 1,500 new jobs.

Inclusive Livelihoods

- Provide equipment grants, deliver skills training, create jobs with ≥50% participation from women, youth, and vulnerable groups.

Reintegration of Former Inmates

- Establish prison workshops, provide training, support self-employment to reduce recidivism.

Green Youth Employment

- Train 100 youth in green skills; support green startups.

Energy Efficiency

- Upgrade 15 community centers; reduce energy use and operational costs.

Organization & Structure

- Proposal development: Build partnerships, strengthen local NGOs' grant-writing capacity.
- Project management: Standardize processes, adopt digital tools, improve delivery efficiency.

Impact Targets by 2027

- Over 2,000 people trained in high-demand skills.
- At least 1,500 jobs created.
- 15 community hubs made energy efficient.
- 8+ strategic partnerships formed (local and international).
- Tangible reduction in youth unemployment, recidivism, and operational costs for public spaces.
